APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. It is understood that the 0.75 of a cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.75 cubic feet per second.

Actual construction work shall begin on or before December 15, 1938

Proof of commencement of work shall be filed before January 15, 1939

Work must be prosecuted with reasonable diligence and be completed on or before December 15, 1940

Proof of completion of work shall be filed before January 15, 1941

Application of water to beneficial use shall be made on or before

December 15, 1941. Proof of the application of water to beneficial

use must be filed with State Engineer on or before January 15, 1942

Filed Aug. 23, 1937

Proof of commencement of work filed FEB 27 1938 WITNESS MY HAND AND SEAL this 15th day

of June 1938

Cancelled JAN 12 1944 because of failure of
applicant to comply with provisions of permit.
